

# SAVE A KOALA

Donate to help Year 9 adopt  
a koala in need! #savebobby  
#bobbytheyear9mascot

This is **Bobby**, the koala we  
want to adopt! He was taken  
into care after being  
attacked by a dog, his spine  
was damaged and his  
injuries were serious. Even  
though he is recovering, he  
has lost feeling in his legs  
and is still unable to climb,  
jump and balance. He  
currently lives at Port  
Macquarie Koala Hospital.

We will be coming to your  
homeroom every morning  
from the 17th- 21st of  
October, so bring any loose  
coins!

Our goal: \$70 to adopt.

Love from the Year 9 Environmental  
Science class
