Congratulations to the Class of 2022

We congratulate the *Class of 2022* on their results in both the Victorian Certificate of Education (VCE) and the Victorian Certificate of Applied Learning (VCAL). Our students are our greatest assets and we are extremely proud of the Class of 2022 and the young women they have become during their time at Kilbreda College.

The Class of 2022 had a severely disrupted Year 10 and 11, and then needed to adjust very quickly to onsite learning routines and structures for their final year. They showed that hard work, resilience, perseverance and a flexible attitude can achieve great results and we congratulate them on their achievements this year.

We also acknowledge and thank the staff who have guided and supported the Class of 2022 throughout their time at Kilbreda College, particularly those who worked tirelessly to encourage and guide them through the challenges of the last few years.

We wish our Class of 2022 every success as they embark on their future learning and careers with skills and talents afforded to them by their caring teachers in partnership with their parents. We know that these women will contribute to a better world and will continue to embody the message of the Brigidine Sisters – to be beacons of hope and always act with *'Strength and Kindliness'*.
