## Foster Care

### Nurturing who they are and who they want to be

As a parent, you know that every child and young person is unique, resilient and has abundant potential.

**Childhood is one of the most important times in life. It's a time for discovery, growth, exploration, and learning—a time for making connections that shape who we become.**

Berry Street foster carers play a vital role in supporting a child's journey and in nurturing their uniqueness. With your time and care, you can encourage and empower a child or young person who has experienced trauma to grow, develop and feel safe.

Whether it's supporting a child to feel safe and build their trust in adults, exploring their interests and developing new hobbies, or encouraging a young person that their dreams are valid, being a Berry Street foster carer is a deeply meaningful and crucial role. And one which each carer brings their unique life experience and skills to.

**Join our community of foster carers and help make a positive impact on a child's life.**
