

PARENT SEMINAR VAPING - WHAT DO YOU NEED TO KNOW? TUESDAY 14 NOVEMBER

Vaping is becoming an increasing concern for schools and parents. Kilbreda College is thrilled to provide parents/ carers with the opportunity to learn from Ms Sonya Karras, creator of a *Whole New World*. Sonya has 10 years' experience working in the hospitality industry in some of Melbourne's largest venue. This allowed her to collect stories and develop a deep understanding of the world of young people today. During this one-hour presentation, Sonya will discuss with you the implications and consequences of vaping in an engaging and informed manner.

We warmly invite all parents and carers, along with your daughter/s, to join us as collectively we deepen our understanding of e-cigarettes and vaping.
