Careers with STEM & QUT – Tech Careers Webinar for Students, Teachers & Parents

Organisation: Careers with STEM

Location: Online

Date: November 5, 2025

Imagine building the next big thing in AI, helping fight climate change with smart data, or even designing the tech behind the next generation of electric cars or space travel. Technology is now woven into every industry – from music and gaming to medicine and sustainable energy – which means a career in tech doesn't just mean one path; it means limitless possibilities. And here's the exciting part: many of the jobs you'll be doing in the future haven't even been invented yet.

So how do you get started? Join us for a free Careers with STEM webinar on Wednesday 5 November at 12pm AEDT/11am AEST with leaders, experts and entrepreneurs in tech that will share their journeys and advice for anyone considering pursuing technology.

Whether you're a high school student, a teacher guiding your students' next steps, or a parent supporting your child's future, this webinar will provide the knowledge and inspiration you need to explore the exciting world of tech careers.

Connect with Bond University in Melbourne – Information Session for Parents

Organisation: Bond University

Location: Bawa Cafe, Hawthorn

Date: November 11, 2025

Join us for our upcoming breakfast event tailored for parents navigating the important decision of choosing the right university for their child. This is a great opportunity to discover what sets Bond University apart and to learn more about our unique programs and offerings. Whether you're

already considering Bond or just beginning your research, we're here to help guide you in making an informed choice for your child's future.

Event highlights:

- Discover Bond University's diverse programs and study areas, and learn what sets us apart from other institutions.
- Get detailed information on the transition process for interstate students, including student life and accommodation options.
- Understand the application process, including direct applications, early offers, scholarships, and admissions.
- Hear first hand experiences from parents of current Bond students.
- Have your questions answered by our knowledgeable staff.
- Benefit from personalised follow-up and ongoing support after the event to address any further questions or concerns.

Don't miss this chance to get a comprehensive overview of Bond University and how we can support your child's educational journey. We look forward to welcoming you!

Future Health Careers Day at La Trobe University for Year 12 Students in Bendigo

Organisation: La Trobe University

Location: La Trobe University, Bendigo Campus

Date: December 8, 2025

The Future Health Careers Day is designed to give students a realistic and relevant insight into studying and working in health and science fields, particularly within regional Victoria.

Held over one full day at La Trobe University Bendigo, the event will include a dynamic mix of information sessions, hands-on lab experiences, group-based problem-solving activities and opportunities to engage with LTU academics and current students.

Students will explore the wide range of courses and pathways available at LTU Bendigo - including degrees in Nursing/Midwifery, Pharmacy, Social Work, Psychology, and Dentistry. Sessions will cover course entry requirements, tips for applications and important dates. Parents will also have the opportunity to attend an information session covering generalised information about La Trobe University, course entry requirements and important dates.

Practical lab sessions will introduce participants to university-level learning and research, offering a taste of what to expect in health and science degrees. Students will also receive advice on preparing for Year 12 and building foundational knowledge in key subject areas.

Throughout the day, students will connect with peers who share similar interests and hear firsthand from those working and studying in rural health. The experience aims to inspire, inform, and equip students with a clearer vision for their future in health and science.

Application deadline: 5pm, 31st October 2025.

La Trobe University Change of Preference Fest for Future Students

Organisation: La Trobe University

Location: La Trobe University, Melbourne (Bundoora) Campus

Date: December 11, 2025

We know getting your ATAR results can be a big moment, so we're hosting the Change of Preference Fest to give you the support and advice you need, no matter what your results are. Chat with our course advisors about your options and explore alternative pathways if your results aren't what you expected. We'll help you figure out what's best for you.

Here's what you can expect:

- Course advice and pathways
- Campus tours
- Free food
- Prizes and giveaways

Whether you're thrilled with your results or need a bit of guidance, we've got your back. This is your chance to get all the info you need to make the best decision for your future.

Indigenous Australian Engineering School at the University of New South Wales for Year 10-12 Students

Organisation: University of New South Wales

Location: University of New South Wales, Kensington Campus

Date: January 11 to January 17, 2026

The Indigenous Australian Engineering School (IAES) is an annual residential program, established and funded by Engineering Aid Australia. The program aims to provide young Indigenous Australians with exposure to engineering and other STEM principles as potential university courses and career paths.

Applications are welcome from Aboriginal and/or Torres Strait Islander students who will be in Year 10, 11, or 12 in 2026 from across Australia (excluding Western Australia - students are encouraged to apply for the IAES program hosted by Curtin University).

The IAES is a fully funded residential program, covering meals, travel, and accommodation, making it completely free for students.

Application deadline: **November 7, 12:00 AM** (Midnight).

For any inquiries, please contact eng.edi@unsw.edu.au. The team is available to provide further information or arrange a call to assist with your needs.
