What is Edrolo?

Edrolo is a teaching and learning resource designed to offer 24/7 support to students. It consists of video theory lessons aligned to the study design, and is delivered by expert teacher-presenters. It also includes video solutions and sample answers to help students prepare for assessments and maximise their exam marks. Teachers will use the data from this to target support and make sure your child is on track with their studies throughout the year. Your child can access the course materials on Edrolo at any time, and also flag content to revisit or where they need extra support from their teacher. Edrolo is used by 95% of schools across Victoria, including the Top 20 performing high schools.

Your child might be asked by their teachers to use Edrolo for:

- prescribed holiday homework
- pre-class work
- post-class consolidation
- self-study, assessment preparation, and exam revision

What does Edrolo cost? (incl. GST)

- Edrolo Daily Course: $35
- Edrolo Daily Plus: $85 + optional $66.95 printed textbook (delivered to your home address).

Delivery of the printed textbooks will take place in late January 2027 in time for the commencement of classes.

Edrolo will charge an invoicing and collection fee of 5% and credit card processing fee of 1.5% on all payments processed through Payment Portal.

How do I pay via the Edrolo Payment Portal?
Payments can be made via the school's dedicated Edrolo Payment Portal from 23 November 2026 onwards. As your child will be using Edrolo as a key resource in the subscribed subjects, please ensure payment is made early to ensure they can start using Edrolo immediately to kickstart their studies. Step-by-step instructions on how to pay can be found here.

If payment has not been received by 3 February 2027, your child will not be able to access their Edrolo courses until the balance has been paid in full (no later than 12 February 2027). **Please ensure payment is made by this date, as your child will have homework and classwork to complete on Edrolo through Term 4 and the summer break.** As soon as account payment has been made, access to all courses will be restored.
